i-control® Ecologic

DLS

Features

- i-control® feature - a comprehensive visual information center that ensures ease of operation
- DLS Dynamic Load Sensor detects shredding volume and alerts user to possible overload
- Silentec concept for noise reduction
- Ecologic energy management system puts the shredder into "sleep" mode after inactive period
- 2 x 2 "Cut and Collect" design means separate shredding and collection of destroyed materials
- Mounted on casters for complete mobility

* Capacity varies with paper weight/grain/size/quality & sufficient power supply

** Please use Actual HP as a specification for determining value. Use of Peak HP is for comparison purposes only where other than Actual HP is used.
